

Luminary Leader Manifesto

I am a force of nature.

I OWN my power, and take responsibility for it.

I bring out all of myself +
let others see the real me.

I BELIEVE IN MYSELF.

LOVE
+
LIGHT

I trust my intuition + take inspired action.

I stretch myself + do the things that scare me.

Business that does good and feels good.

I am LIFE BALANCE - RESPONSIBILITY
PARTNERSHIP - FREEDOM
for: ABUNDANCE - IMPACT

I say what
I see.

I lead from my feminine side.

Responsible for Results without the Cost
to ourselves, to our team, our family + the world at large.
